Offer: Free Supply and Install of **4.56kW Hybrid System no Battery**

- Supply and installation of 16 x 285W Trina Solar PV Panels with black frames, 1 x SolaX SKSU5000 Hybrid Inverter.

SolaX Extended Warranty:

All SolaX inverters carry a standard 5 year factory warranty. An optional 5 year extension is available to purchase for all inverters from SolaX and will be an additional charge.

The SolaX 5 year return to base warranty covers repair or replacement of parts or full replacement of the Inverter during the warranty period.

Additional Charges:

Import/Export meter and installation (approximately \$100.00 - \$220.00 – varies between energy providers). This is billed directly to you via your energy provider.

Additional Network Charges:

Network charges may apply, approximately between \$80.00-\$200.00 (varies per network) and any applicable charges.
